

Contemporary Mediterranean Home

1128 Garcia Road, Santa Barbara, California
Offered at \$2,125,000

Remodeled to perfection with spectacular city, ocean and harbor views. This home features a new kitchen with custom cabinets and honed granite countertops. A free-standing island beckons you in. An adjoining laundry area and storage space complete this room. Nothing was left out!

The inviting living room and dining room have high, beamed ceilings, a fireplace on one end and windows or doors of glass overlooking a large deck, the back yard and the amazing views beyond. A wide hallway leads to three bedrooms, all with custom closets and two remodeled baths exceptionally finished with marble and tile. Beautiful hickory or pecan hardwood floors in most rooms. There is a guest suite or office downstairs with its own large deck. This house is perfect for entertaining and enjoying the views. Exceptional quality throughout!
