To whom it may concern:

I would like to give an outstanding reference for Dan Crandall. I have had the pleasure of working with Dan for some time in the real estate industry. Dan always goes above and beyond to help someone in need and if he didn't know the answer he would go find the right answer. He is a hard worker, self starter and extremely knowledgeable on the computer. He is truly a caring and sweet person, someone I would love to work with again in the future.

Sincerely,

Kori Cadorin
